Employment Opportunities

City Tree Christian School is a ministry of First Presbyterian Church committed to integrating educational excellence with the teachings of Jesus Christ as found in the Bible. We are an ethnically and socio-economically diverse school located in downtown San Diego. About 180 students attend our school age infant through 8th grade. Our school is a member of Association of Christian Schools International (ACSI) and accredited by the Western Association of Schools and Colleges.

To Apply for any of the positions below: download our application from <http://www.citytree.org/about/employment/index.html> email office@citytree.org to request an application, or call (619)232-3794 to request an application. Be sure to fill out the Personal Philosophy questions listed on the application. NO CANDIDATES CAN BE CONSIDERED WITHOUT A COMPLETED APPLICATION. Complete and return application with resume (if available) by email, fax, or in person. Interviews conducted ASAP! Positions begin August 21.

Position(s) Available August 21:

▪ **Middle School Teachers (grades 6-8).**

City Tree Christian School needs two teachers to instruct 6th-8th grade. Open courses include the following: 6th-8th mathematics (major contract load), 6th-8th grade science (major contract load), 6th-8th grade physical education (minor contract load). Also available is K-7th grade technology instruction. Contract (full or part time) and course load will be based on qualifications, experience, and interest of each applicant.

The following are highly desirable skills/experiences, but not necessary to apply: networking/computer systems knowledge/troubleshooting and technology class instruction, music/worship team skills and experience, health education. Please indicate any/all special skills on application. Compensation based on a pay scale that combines education and experience. Full time salary range \$33,000-\$46,000 plus benefits. Part time salary calculated at course load percentage of full time salary.

Qualifications: Bachelor's Degree (science or mathematics) and Teaching Credential required. Science and/or mathematics teaching experience preferred.
