## Employment Opportunities

*City Tree Christian School is a ministry of First Presbyterian Church committed to integrating educational excellence with the teachings of Jesus Christ as found in the Bible. We are an ethnically and socio-economically diverse school located in downtown San Diego. About 180 students attend our school age infant through 8<sup>th</sup> grade. Our school is a member of Association of Christian Schools International (ACSI) and accredited by the Western Association of Schools and Colleges.*

To Apply for any of the positions below: download our application from <http://www.citytree.org/about/employment/index.html> email [office@citytree.org](mailto:office@citytree.org) to request an application, or call (619)232-3794 to request an application. Be sure to fill out the Personal Philosophy questions listed on the application. NO CANDIDATES CAN BE CONSIDERED WITHOUT A COMPLETED APPLICATION. Complete and return application with resume (if available) by email, fax, or in person. Interviews conducted ASAP after application is received.

### **Position(s) Available Immediately:**

#### ▪ **Middle School Teacher (grades 6-8).**

City Tree Christian School is looking for an instructor for grades 6<sup>th</sup>-8<sup>th</sup>. Open courses include the following: 6<sup>th</sup>-8<sup>th</sup> mathematics (primary course load), K-7 technology (minor course load), and 6<sup>th</sup>-8<sup>th</sup> physical education (minor course load). This position may be full or part time and course load will be based on qualifications, experience, and interest of applicant.

The following are highly desirable skills/experiences, but not necessary to apply: networking/computer systems knowledge/troubleshooting and technology class instruction, music/worship team skills and experience, health education. Please indicate any/all special skills on application. Compensation based on a pay scale that combines education and experience. Full time salary range \$33,000-\$46,000 plus benefits. Part time salary calculated at course load percentage of full time salary.

Qualifications: Bachelor's Degree (mathematics or related preferred) required. Teaching Credential preferred. Mathematics teaching experience and experience with Middle School students preferred.
