self development at

The City Tree School on campus!

Karate on campus after school

Junior program for ages 6 to 12 on Tuesday and Thursday in the Scout Hall from 3:40 PM to 4:30 PM.

Mini-ninja program for ages 4 and 5 Friday from 3:00 PM to 3:30 PM. This is a preschool of the regular karate program.*

This is the fourth year of our very successful karate program at The City Tree campus. The first lesson is a free trial lesson. Simply call us or write an email of inquiry so we can answer your questions and get you started on an orientation.

Pacific Martial Arts that teaches the programs was established in 1978 with a motto of "we teach attitudes first." We emphasize respect, tolerance, and self control in addition to the development of fitness, self defense, and the art and challenge of karate. Learn more about us at pmakearate.com.

PMA thanks The City Tree School and its staff for the great support they give us in offering this program.

*Subject to sufficient enrolment and possible date/time change.

Class makeup bonus! Because of several holidays, plus Christmas and Easter breaks, students will be able to do extra makeup classes at no charge at the nearby main studio of the PMA located in Old Town. It is about a five minute drive. This bonus attendance privilege will help keep more continuity in the karate training of the student.
