

*"We love it here!! "My child" has been continually blessed by her attendance at City Tree over the years. Being here has not only developed her academically, but it has nourished her spiritual growth. Without a scholarship I would not be able to provide this opportunity for her."*

*"My child" is in a good place, spiritually and academically. The teachers, we love all of them. ....We want for her to receive a **better education**, she wants to attend college."*

*"My child" has **thrived academically, spiritually, and socially** during his 3 years at City Tree. The school has provided much needed stability during a time when his home life was not stable."*

*"We have the utmost respect for what City Tree has given to "my child". It is the only school she has ever known. She has bonded wonderfully with her teachers, school staff, and fellow students. She flourishes at City Tree with all the **love and support** here. AND receives the very best education."*
