CAMP	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Little Olympians</b>	<b>June 18-22</b> Put your game faces on! Campers will march into the daily Opening Ceremony to form new teams and friendships. Each day will include individual and team activities with a focus on sportsmanship, endurance and fun! An afternoon trip to Balboa Park for relay races and games is planned.				
<b>Beetles and Butterflies</b>	<b>June 25-29</b> Spread your wings and zoom into a week of nature adventures! Buzz around the school garden to learn about plants and insects, creep and crawl through an insect obstacle course, and dig into exciting science activities.				
<b>Cultural Expedition</b>	<b>July 2-6 (NO camp Wednesday, July 4)</b> It's a small world after all! Buckle your seatbelt for a trip around the globe! We will "visit" different countries and learn their art & culture including crafts, special dances, literature, and traditional games. A special multicultural feast is planned.				
<b>Splasztastic!</b>	<b>July 9-13</b> Dive into a week of water fun! We will learn about the sea and the creatures who call it home through hands-on sensory activities, literature and crafts. Splash around with us during water play days!				
<b>Land of Make Believe</b>	<b>July 16-20</b> Become a superhero, fight a dragon, sail a pirate ship- with your imagination, anything is possible! Join us as we read our favorite stories, sing songs, and create our own land of make believe. A special day with costumes, face painting, and a puppet show are planned.				
<b>VBS Week: Shipwrecked</b>	<b>July 23-27</b> During Vacation Bible School kids will learn how we are all rescued by Jesus. They will venture onto an uncharted island where kids survive and thrive. Kids will learn about how to anchor in the truth that Jesus carries them through life's storms. Each day students will be in small groups and experience a variety of activities: Castaway Sing and Play, Shipwreck Games, Bible Discovery, Imagination Station, and Tropical Treats.				
<b>A Heart for Art</b>	<b>July 30-August 3</b> Grab your paintbrush and let's go to work! This week will be all about bringing out your inner artist through a variety of art projects including splatter painting, still life drawing, sculpture, and torn paper collages. We will also get inspiration from famous artists from history as well as local artists!				
<b>Happy Campers</b>	<b>August 6-10</b> Grab a sleeping bag and flashlight for a week of camping fun! Learn about forest animals through puppets and tales around the campfire, embark on a scavenger hunt, trek through our indoor campground, and even S'More!				
<b>Spanish Immersion: Cinco Dias de Ciencias</b>	<b>August 13-17</b> Five days of science: Learn about the science of cooking, our bodies, the universe and more! Students' Spanish and science skills will increase as they learn about our world and do hands-on science experiments all in Spanish!
